## ABOUT US

PROPAIR Compressor company was founded in 2005 under MoldPlast to provide services in the sector of metal and plastic mold production and design.

MoldPlast has provided professional support to companies engaged in heavy industry and defense industry since its establishment.

In order to explain and apply its experiences, PROPAIR Compressor company was established in order to produce heads and spare parts of air compressors used in many areas of life, especially in the industrial field.

While carrying out this production, PROPAIR aims to nationalize all parts and components required for air compressors, to provide quality in products and services, and to offer the most appropriate and economical solutions to customer needs.

## HAKKIMIZDA

PROPAIR Kompresör firması 2005 yılında metal, plastik kalıp üretimi ve tasarım alanında hizmet vermek amacıyla MoldPlast çatısı altında kurulmuştur.

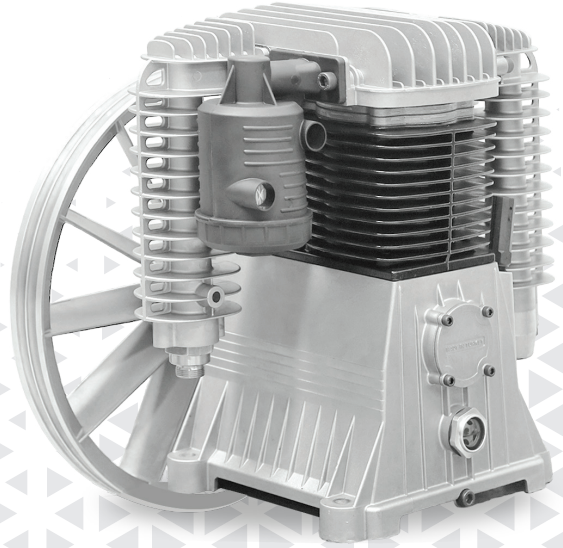

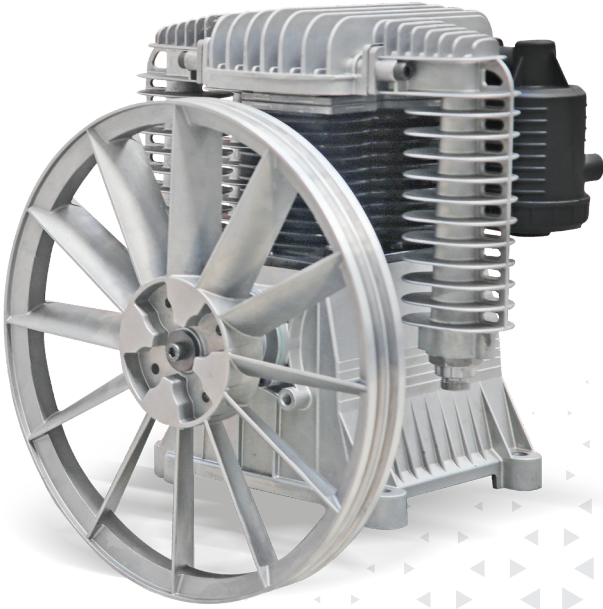

MoldPlast kurulduğu günden bu yana ağır sanayi ve savunma sanayide üretim yapan firmalara profesyonel destek sağlamıştır.

Edindiği tecrübeleri ve birikimlerini aktarmak, uygulamak için hayatın bir çok alanında özellikle sanayi alanında kullanılan hava kompresörlerinin kafa ve yedek parçalarını üretmek amacıyla PROPAIR Kompresör firmasını hayata geçirmiştir.

PROPAIR bu üretimi gerçekleştirirken hava kompresörleri için gerekli tüm parça ve bileşenleri millileştirmeyi, ürün ve hizmette kaliteyi, müşteri ihtiyaçlarına en uygun ve en ekonomik çözümler sunmayı hedeflemiştir.
